

Southwest Community Center / Teen Life Center

#1 What Should We Prioritize?

- Senior pickle ball / volleyball, aerobics, weight room
- Karate class (just came from YMCA)
- Community classes at SWCC
- Keep facilities clean
- Safety for all participants
- More revenue
- More rental
- Enough staff to manage programs
- Use space when teens are not in building
- Work out scheduling to maximize users (populations)
- Outreach / engagement guiding principles
- Protect programs for diverse groups
 - Home schools Thursday & Friday, 9:00 am – 2:00 pm; Wed. 10:00 am – 1:00 pm
 - Senior / Special Pos – Wed.,
 - Team sports – Citywide, Cubs
 - Special Events – (Increase)
- Keep a Program Coordinator @ a site
- New program & staff to utilize the new Sports Field Complex
- Scholarships
- Better communication with community
- Sustaining SW Advisory Council
- Activities for all age groups; offer classes after 5:00 pm for full time working parents
- Worried about facility turning into a teen center only
- Balance of all population programs (age, ability)
- Accessibility (DON) issues
- Hours of service to accommodate majority of population
- Female only swims with female staff (diversity) in programs
- Having community centers
- With viaduct closure (having center accessible)
- Needs to stay open
- Maintain staffing levels (staff provides jobs)
- Keep quality of programs
- Programs for people w/disabilities (hub)
- Access to CC / gym space Wed. 6:00 – 9 pm
- Review of special circumstances for accommodation of differently-abled sports groups
- Reasonable balance of access across all community groups (80 / 20); groups to balance community; kids don't have to lose to prioritized other groups
- Disabled children / teen (access)
- Disability center

- Better relationship w/Seattle P & R and Seattle Schools for user access

2. What Should We Continue To Do?

3. What Should We Stop Doing?

- Excluding Community
- Don't take away Parks & Rec staff
 - Program Coordination at SWCC
- Disrupting CC continuity
- Providing unclear communication
- D.O.N. Neighborhood Service Center from coming into the CC
- Making decision in "silos", i.e. Aquatics, CC, Teen Programs, ARC
- Excluding SWCC AC members from early participation in decision making
- Stop cutting access + opportunities at CC's
- Planning to use SWCC as a teen spaces only, don't isolate teens
- Eliminating the opportunities to bring in new revenue at SWCC by making it teen only
- Stop non-recreation uses of rec. facilities i.e. DON
- Stop increasing management + decreasing front line staff
- Closing access to CC's, especially gym space
- Disproportionally impacting users w/ disabilities + in wheel chairs
- Stop expecting public facilities to be financially self-sufficient; they are public facilities + tax \$'s should support them
- Stop devaluing the access to CC's how it provides to the community benefits in fitness, health, overall well being, self worth, self esteem, i.e. wheel chair rugby / basketball ~ creates community connection + dialogue
- Stop controlling HVAC off-site by computer control on-site
- Stop inefficient maintenance closures * + practices
- Stop moving staff or minimizing *
- Cutting access + opportunities to utilize community centers for the community
- Ineffective marketing, community engagement
- Stop charging drop-in fees for adults + kids
- Isolating teen in single locations' spaces
- Reducing hours
- Stop limited promotion of services to print, e.g., brochures (use multimedia)
- Stop bureaucratic tape to better engage + utilize technology with community
- Stop cutting front line staff
- Stop cutting community infrastructure
- Stop following Mayor rules / ideas
- Using inaccurate / outdated data to make operational decisions, e.g., CCAT analyzing group
- Stop using CC space for long term rentals
- Stop targeting vulnerable communities *SW one of most diverse communities
- Stop "avoiding" the guiding principles
- Stop the staff reductions so that new opportunities @ sports field can be developed i.e. Denny MS old site

#4 How Can I Help?

- Employment readiness / life skills
- Participate and support all age programming
- Sustain SW Advisor Council (community, teens, special events)
- Safety of community
- Encouraging hospitality (clean up)
- Establish & communicate scholarship for community members
- Community / Civic engagement w/existing community priorities
- Consistent staff (experience)
- Building monitor (registration)
- Homework session (tutoring)
- Sound proof divider
- Teen representative attending Advisory Council meeting
- Sponsoring adult / teen activities
- Expand media presence of activities / events (West Seattle blog, West Seattle Herald)
- Be a presence through the process
- Provide volunteer opportunities
- Establishing stronger voice (media)
- Support Parks levy (staffing)
- Have community write levy
- Educate our neighbors
- Support all age programs
- Continued access to space by outside user groups (affordable, reasonable times)
- Engaging community in non-traditional sports
